

# Transparency Charter – Ouhdel Conseil

At **Ouhdel Conseil**, we believe that trust is built through clarity, honesty, and accountability.

Our **Transparency Charter** reflects our commitment to always act with integrity towards our clients, partners, and collaborators.

---

## 1. Clarity of Services

- We describe our services in a precise and accessible manner.
  - No hidden fees: all financial terms are explained before the start of any project.
  - Each client has a dedicated contact person to oversee their project.
- 

## 2. Open Communication

- We encourage regular and honest dialogue with our clients.
  - Progress updates and deliverables are shared clearly and consistently.
  - Timelines are realistic and respected; in case of unforeseen circumstances, we inform clients immediately.
- 

## 3. Responsibility and Ethics

- We respect the confidentiality of all entrusted data and information.
  - We always act in the best interest of our clients and partners.
  - Our advice and recommendations are based on facts, reliable data, and proven expertise.
- 

## 4. Respect and Inclusion

- We value diversity and inclusion in all our collaborations.
  - We respect cultural, social, and professional differences.
  - We work towards sustainable, fair, and community-oriented development.
-

## **5. Sustainable Commitment**

- We adopt ethical and responsible practices in all our projects.
  - We encourage positive impact on the territories and organizations we support.
  - We regularly publish updates on our commitments and results to remain accountable.
- 

## **6. Financial Transparency**

- We communicate our pricing and billing terms with clarity.
  - No costs are incurred without prior written client approval.
  - We strive to provide fair and well-justified value for money.
- 

## **7. Independence and Objectivity**

- Our recommendations are guided solely by the client's interests.
  - We do not favor any supplier, partner, or solution for hidden gain.
  - Clients are informed of any potential conflict of interest.
- 

## **8. Confidentiality and Data Protection**

- All client information is kept strictly confidential.
  - We comply with GDPR and best practices in data protection.
  - Secure tools are used for data storage and information sharing.
- 

## **9. Continuous Improvement**

- We actively listen to feedback from clients and partners.
  - Every project is reviewed internally to identify lessons and improvements.
  - We invest in continuous training for our team to stay at the forefront of our field.
- 

## **10. Social Responsibility**

- We integrate social and environmental issues into our decision-making.
- We seek to generate a positive impact on the territories where we operate.
- We promote partnerships that align with our values of ethics and sustainability.
